## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest a method of testing reliability in an integrated circuit (IC) including an array of test circuits having the steps of selecting a first test circuit having a first current path traversing a first resistor; measuring a first pre-stress resistance value for the first resistor; applying a first high stress current through the first current path; removing the first high stress current from the first current path; and measuring a first post-stress resistance value for the first resistor, as recited in the independent claim 1, and in combination of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
